Intelligent Design of Jenny Chow

by Rolin Jones, Winner of the 2006 Obie Award

Rolin Jones' irreverent "techno-comedy" chronicles one brilliant woman's quest to determine her heritage and face her fears with the help of a Mormon missionary, a pizza delivery guy, and her astounding creation called Jenny Chow.

"Bright and engaging...boldly imagined...Mr. Jones unfolds his tale of pioneering science fueled by post-adolescent angst with pleasing agility." -NY Times
